STELLAR WORKS

DAVID ROCKWELL

Stellar Works stands for a renaissance of refined culture and Asian aesthetics.

Inspired by the long-standing craft and industry of traditional cultures, it represents a commitment to bridging the gap between old and new, east and west – in attitude, form and application.

Stellar Works seeks to reintroduce past collections of classics, alongside culturally-inspired contemporary signatures. It infuses freshness into heritage and grounds innovation with enduring craftsmanship.

David Rockwell

David Rockwell is the founder and President of Rockwell Group, an award-winning architecture and design practice in New York, with satellite offices in Madrid and Shanghai. For over 30 years, the firm has crafted a unique narrative for each project through the intersection of theater and architecture. Its roster includes global hospitality projects for Nobu and W Hotels, the TED Theater and other cultural destinations, and Broadway set designs. From surface and floor coverings for Maya Romanoff, The Rug Company, and Jim Thompson, to lighting for Rich Brilliant Willing and Gaia&Gino, the firm celebrates product design as a natural extension of its immersive environments. David's honors include the American Institute of Architects New York Chapter President's Award, the National Design Award by the Smithsonian's Cooper Hewitt National Design Museum, and the Presidential Design Award.

Valet

For the Valet Collection, David Rockwell explores a new furniture typology that supports everyday living, working, and entertaining. With tactile and refined materials and details, including full-grain saddle leather, American walnut, blackened steel, and brushed brass, each piece redefines the essentials of modern living and fits seamlessly into home or hospitality environments.

Rockwell took inspiration for the collection, part of Stellar Works' Collaboration Series, from the roots of the word "valet," but reinterpreted it for the 21st Century—this crafted, unique furniture accommodates the narrative of our lives today.

Valet Collection by David Rockwell

Valet Lounge Chair

Powder coated steel frame, leather, brass plated stainless steel

VA-S111

W741 x D684 x H716mm
